

# MRS. PLANT, WIFE OF MILLIONAIRE, ASKS A DIVORCE

(Special to The Evening World.)  
BOSTON, Jan. 18.—Suit for divorce was entered in the Superior Court today by Mrs. Charles G. Plant, the millionaire shoe manufacturer. Property of

the libelee to the extent of \$1,500,000 was attached also today.  
Statutory grounds were named as cause of Mrs. Plant's action, and the cities of Bangor and Calais, Maine; St. George, N. B., and New York are mentioned in connection with a co-respondent whose name is not disclosed. Plant and his wife have been separated since last September.  
The Plants were married in Chicago, June 26, 1895. They came to Boston soon afterwards and lived in this city up to last fall.  
Mr. Plant was principal owner of the stock of the Thomas G. Plant Company, has a factory in Roxbury. He was also a manufacturer of shoe machinery in competition with the United States Shoe Machinery Company. The United Company and Plant engaged in a business

warfare, and litigation followed in which millions of dollars were involved. Before it was determined, however, the United Shoe Machinery Company bought Plant's interests in the Thomas G. Plant Company, paying him a handsome sum.  
**FOR CANAL FORTIFICATION.**  
Senator Money Introduces a Bill for Panama Defenses.  
WASHINGTON, Jan. 18.—"That it is the sense of the Senate that the Panama Canal should be fortified."  
This is the full declaration of a resolution introduced into the Senate today by Senator Money. The Mississippi Senator announced his intention to speak on the resolution and it is probable that it will be used as a basis for

general discussion of the question of the canal fortification.  
**FRECKLES**  
New Drug That Quickly Removes These Homely Spots  
There's no longer the slightest need of feeling ashamed of your freckles, as a new drug, which simply gets one source of skin—double strength—removes them and leaves a little of it at night, and in the morning you will see that even the worst have begun to disappear. While the light freckles have vanished entirely, it is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful, clear complexion.  
Be sure to ask for the double strength ointment, as this is sold under guarantee of money back if it fails to remove the freckles.
